CELEBRATE SUMMER WITH A HEALTHY ICED COFFEE DRINK

Orange County, Calif. – June 18, 2009 – Celebrate the kickoff to summer, Summer Solstice on June 21, longest day of the year, with a healthy and refreshing beverage – Tieman’s Cold Fusion Iced Coffees and Ice Cream Floats. A twist on summertime favorites, these icy beverages made with Tieman’s Fusion Coffees, will cool you off on a hot summer day and are packed with antioxidants. It’s a good-for-you summertime treat!

“These recipes are another way to make healthy habits fit easily within your lifestyle,” said David Tieman, founder and CEO of Tieman’s Fusion Coffees, based in Santa Margarita, Calif. “Just one cup of our coffee gives you all the antioxidants needed for the day, [as defined by the FDA.](#)”

Visit the Tieman’s Fusion Coffee website, www.tiemans.com for quick and easy summertime recipes, including:

- Tieman’s Cold Fusion Cappuccino™
- Tieman’s Cold Fusion Caramel Latte™
- Tieman’s Cold Fusion Mocha™
- Tieman’s Cold Fusion Iced Mocha Float™
- Tieman’s Cold Fusion Cinnilla™ Float

About Tieman’s Fusion Coffees

Tieman’s Fusion Coffees is a line of premium select Arabica bean coffee fused with powerful antioxidants from Matcha, Roobios and Gogi Berry. David Tieman, founder of the Orange County, Calif.-based company, invented the patent pending Fusion Process™ to fuse the bean with superfood antioxidants, creating a great-tasting coffee with health benefits that are unmatched. Tieman’s Fusion Coffees™ is available in over 65 Albertson’s store locations throughout Southern California and Nevada. For more information, visit www.tiemans.com.
